## Conference language and abstracts

The official conference languages are **English**, **French** and **German**, should some individuals need to speak in another language they may.

## Title and Abstract

It is necessary for presenters to send a 1000 word abstract in **French, English or/and German** prior to 1<sup>st</sup> of April 2007. Abstracts in only one language, will be translated to a second conference language of the choice of presenter. The organizing committee reserves the right to select papers and topics in agreement with the authors. Names, title, full address and e-mail should come with papers and posters.

## Location and Accommodation

Lectures will be held at the Laboratoires d'archéologie de l'Université Laval located at Séminaire de Québec in Québec City.

Laval University

A variety of accommodations within walking distance to the conference venue are available in Old Quebec City.

Reservations for accommodations can be made directly with the local tourism-office. Details will follow on 2<sup>nd</sup> circular. Transportation from airport to downtown is available by taxi.
